\* ° Headquarters Security Branch (HSB) played a prominent role in the recent snow emergency, including control of visitors stranded by the storm. The Branch assisted in distribution of available emergency rations, checked cafeteria supplies in the event of a prolonged emergency, passed out blankets, actively assisted in transporting personnel home via four wheel drive vehicles, and generally acted as the focal point for employee questions, concerns and welfare. A full accounting of HSB activity and that of the components will figure in a post-mortem of the emergency, currently in progress at the direction of the DDA.
